Reference: July Quarterly Report (4/1/02-6/30/02)

Dear Mr. O'Connell:

On October 9, 2002 you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your October 24, 2002 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-Your report discloses limited payments for administrative expenses. Administrative expenses are payments made for the purpose of operating a political committee including, but not limited to, rent, utilities, salaries, telephone service, office equipment and supplies. Each state or local party committee utilizing separate federal and non-federal accounts is required to allocate any administrative expenses between the accounts in proportion to the BALLOT COMPOSITION METHOD derived from FEC Schedule H1. A Schedule H1 must be filed with the first FEC FORM 3X filed at the beginning of each calendar year. 11 CFR §106.5(d)

Any goods or services provided to your committee by a person, except volunteer activity (i.e., a person's time), would be considered an in-kind contribution from that person, and would be subject to the disclosure requirements of 2 U.S.C. §434(b)(3) and 11 CFR §104.13, and the limitations and prohibitions of 2 U.S.C. §§441a and 441b.

Clarification regarding administrative expenses should be provided during each two year election cycle beginning with the first report filed in the non-election year. Please provide the necessary information regarding administrative expenses incurred by your committee and/or amend your report to disclose such expenses according to the referenced provisions of the Act and Commission Regulations.

An adequate response must be received at the Commission by November 20, 2002. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions for time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you have any questions regarding this matter, please contact Jane Parks on our toll-free number, (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division), our local number is (202) 694-1130.
